**SHOCK DUE TO EXCITEMENT.**  
This Given as the Reason of the Paralysis of  
Two Sisters at the Same Time—A  
Party Under Escort Views the  
Battlefield.

(Special Dispatch to The Times.)  
PETERSBURG, VA., Oct. 26.—The controlling interest in the Matoaca Manufacturing Company has recently been purchased by the Southside Railway and Development Company, being one of the steps toward the development of the power of the upper Appomattox Canal at the locks. The stockholders of the Matoaca Company will hold a meeting next week and the company will then be reorganized.

The improvements to the Dunlop mansion on Friend Street, are almost completed. Another story has been added to the building, the roof being raised by degrees and kept intact as the work was done. The contract is being executed by a New York contractor, Walter Amos, formerly of Richmond, an expert in the line of work in which he has been employed.

Misses Bettie H. Rogers and Lalla M. Rogers, who were paralyzed at their home on Market Street early yesterday morning, are still in a serious condition. CAUSED BY EXCITEMENT.

The ladies were stricken within a few moments of each other, though they occupied separate rooms. It is thought that the shock was due to excitement. Miss Lalla Rogers, whose right side is affected, is still unconscious. Miss Bettie Rogers, whose left side is affected, shows some improvement.

Rally day exercises will be held at West-Street Sunday-school to-morrow morning. The superintendent, Mr. W. G. Owen, will deliver the address of welcome. Misses Marie E. Wells, Janie Jefferson, Florence Guyer and Ethel Wells will give several recitations.

To-day was registration day, but not many names were registered or voters transferred. There were about twenty cases in the Mayor's Court to-day. Meade Adams, a young man, was fined \$10 for possessing concealed weapons. He was sent to jail in default of payment.

**FIREBUG IN HENRICO.**  
Several Barns Destroyed—School on Fire  
Fraudulent—Owner notes.  
There is apparently a fire bug in lower Henrico county, who after plundering the barns conceals the theft by applying a torch. Several barns have been destroyed lately and the county authorities have been asked to make an investigation.

Squire Thomas on yesterday afternoon issued warrants for the supposed firebugs and warrants were turned over to Constables Franklin and Samuels. At a late hour last night no arrest had been made.

Laurel-Hill School, in Henrico county, was discovered to be on fire Friday morning about 3:20 o'clock, shortly after roll-call. The scholars had been taken to their seats when they became aware that the building was afire. Excitement reigned supreme for awhile, and both the school-children and their teacher, Miss Bowers, got out of the place in the quickest possible time. Every strip of furniture was removed, and then it was found that the blaze wouldn't amount to anything. It caught in the ceiling from the stove-pipe, and was easily extinguished by a neighbor with a hose. The boys, who climbed up on the roof and punched a hole through. The desks, etc., were thereupon carried back and the class sessions were resumed.

**SCHOOL TRUSTEES.**  
The School Electoral Board of Henrico, composed of Judge T. Ashby Wickham, Mr. Alex. Sanders and Superintendent John K. Fussell, met yesterday at the courthouse and re-elected three of the school trustees, whose term of office had expired. The fourth, Mr. L. H. Jeter, of Brookland District, declined reelection, and Mr. Charles W. Wingfield was chosen in his place. Mr. Jeter has been a member of this board for seventeen or eighteen years, and it is with much regret that his colleagues see him retire. The trustees re-elected are as follows:

Trustees, J. W. Varriner, of Varina; J. T. Nuckolls, of Tuckahoe; and T. J. Carter, of Fairfield.  
The Brookland School Board met yesterday and paid off teachers. The County Court was in session yesterday transacting civil matters of minor importance. The court will adjourn on Monday.

Much interest is being manifested in the revival meetings conducted nightly at Central Church, in Henrico, by the Rev. George H. Sheriff. Several persons have professed conversion and have joined the church. The members of Central Church are highly pleased with the good work being done by their new pastor.

Mr. John E. Broadbush has received invitations to the wedding of his cousin, Miss Lucy T. Broadbush, and Henry Pitt. The ceremony is to take place in the Bethesda Church, in Henrico county next Wednesday at 4 o'clock. Miss Lou Wagner is ill with pneumonia in her home in Varina district. Mrs. Alfred Brown, Sr., who has been confined with typhoid fever, is somewhat better. Mrs. Archer, wife of Dr. Archer, is somewhat indisposed. Elijah May has sold to L. C. May a lot of land in Ridge Street, near the Craig property.

**Better Mail Service.**  
It is probable that mail service will be established on the train that leaves Old Point at 10:40 A. M. Mr. T. P. Elam, who has charge of the Railway Mail Service in this city, is looking into the matter.
